RID
LEADERSHIP
ACADEMY

...Building Contemporary Leaders.

Introduction

Rid Leadership Academy is a Centre for Contemporary Leadership Development. We train Career persons, Ministers and Students in Capacity and Character development. RID Leadership Academy is Building Contemporary Leaders who are proffering and implementing solutions to emerging needs of humanity in various fields of influence.

What is Unique about RID Leadership Academy?

- Training is by Correspondence, so distance is not a barrier.
- Online Training and Assessments are available options.
- Trainings are convenient for Career persons, Students and Ministers. You Register by ordering for the Training Pack of your choice and the Training Option that suites you.
- Training Materials come in various formats. They include; Hard copy, Electronic copy, Audio and Video formats.
- All registered students of RID Leadership Academy are a part of **Deji David Mentorship Scheme (DDMS)**, and therefore have access to direct Mentorship from all Facilitators and Trainers at RID Leadership Academy. **DDMS** holds periodically as Leadership Seminars, which gives students one on one session with Facilitators. **DDMS** is also streamed live for students who are unable to be at the venue.
- Students can Enrol for our Leadership Training at any of the three Semester at any time of the year.
- We run a world class curriculum that will empower you for global impact and dominion.

Courses at Rid Leadership Academy

Our Leadership Training incorporates Career/Capacity Development with Spiritual Maturity. The following Colleges offer courses from which students are required to

choose options, depending on different interests, passion and career choices.

Courses include;

- **Contemporary Leadership Development**
- **Information and Communication Technology**
- **Entrepreneur and Financial Intelligence**
- **Excellence in Marriage and Family**
- **Writing and Publishing**
- **Politics and National Leadership**
- **Missions**
- **Multimedia**
